

## Dr. CHEN Yu-Cheng / 陳育正博士 Short CV

Dr. Chen Yu Cheng serves as an assistant professor at the Graduate Institute of China Military Affairs Studies within Fu Hsing Kang (FHK) College, National Defense University (NDU) in Taiwan. He teaches courses focusing on international relations and the People's Liberation Army (PLA). Dr. Chen obtained his MA degree in political science from FHK, followed by a PhD in international politics from National Chung Hsing University (NCHU) located in Taichung.

Dr. Chen's scholarly interests including strategic studies, People's Republic of China political warfare, PLA military modernization, Indo-Pacific security. His research contributions are evident through various peer-reviewed articles published in esteemed journals such as the *Korean Journal of Defense Analysis*, *Mainland China Studies* (Taiwan), and *Prospect Quarterly* (Taiwan), primarily exploring China studies, PLA affairs, and regional security.

Furthermore, Dr. Chen holds positions as a senior research fellow at the Center for Contemporary China Studies and a research fellow at the Center for Japan and Korea Studies within NCHU. He also contributes as an associate editor for *Essays of PLA Studies*. He has been honored with a scholarship for the "Overseas Academic Diplomacy Program 2023" by Taiwan's Ministry of Foreign Affairs (MOFA) and as a visiting scholar at the Security Strategy Research Institute of Japan.

Dr. Chen wrote many articles as follows:

Yu-Cheng, Chen, "Fourth Taiwan Strait Crisis? Examining the Implications of PLA Exercises Following Pelosi's Taiwan Visit from the Perspective of Strategic Deterrence," *Korean Journal of Defense Analysis (SSCI)*, will be publication in June edition 2023.
