1. The shifting US position over the Senkaku Islands (East Asia Forum, November 13, 2020)

By Brian Victoria, a Senior Research Fellow at the Oxford Centre for Buddhist Studies

Since the Nixon administration, the United States has taken the position that territorial sovereignty over the Senkaku Islands was to be decided by the parties involved — Japan, China and Taiwan. From 1996 US diplomats have periodically confirmed that the Senkakus are covered under Article 5 of the US–Japan Security Treaty as Japanese-administered territory, but this was deliberately differentiated from a determination of sovereignty. [Continue Reading](#)
